

# A Visit to Iskcon Temple

Sri Radha Parthasarathi Mandir generally called as ISKCON temple is a famous temple of Lord Krishna in the form of Radha Parthasarathi.

Students of Ankur, Pallav, Class I & II got an opportunity to visit Iskcon Temple (Punjabi Bagh). It was a devotional trip combined with great fun and learning. A movie depicting childhood of 'Krishna' was also shown to them which definitely had increased their general knowledge. Moreover learning in their friends and teachers company outside of the routine classroom is always a memorable experience.
