VENUE: Eco Adventure Camp, Kair Village, New Delhi

J M International School focuses on all round development of kids. The curriculum is designed in such a way that students find winners inside them and develop it for brighter future. Healthy mind resides in a healthy body. An effort to

highlight the strengths among students and to give proper direction of the same, the school has organized an adventurous camp at Eco Adventure Camp, Kair Village, and New Delhi.

This adventurous camp appraised the learners about various activities.
