

# VISIT TO ITIHAAS 10<sup>TH</sup> ANNUAL SUMMIT

ITIHAAS is a Delhi based educational trust focusing on heritage education in the country. They conducted there 10<sup>th</sup> Annual Summit for Educators on topic "Learning spaces". It brought together educators from ITIHAAS's partner schools and major public personalities, to discuss wide range of learning spaces that can have an impact in building a cultural ecosystem through heritage and learning. It was a very insightful, introspective and compelling morning that engaged its audience to reconsider what truly are learning spaces and the role educators can play to mold a creative and analytic mind.
