

WORKSHOP ON BEHAVIORAL ISSUES

JMIS organized a workshop on 'BEHAVIORAL ISSUES' for the teachers on May 29, 2019 within the school campus. The programme was conducted by Ms. Jayshree Mehta, an eminent personality in the field of education. Working as a Life Skill trainer and a freelancer, Ms. Jayshree Mehta has been associated with TOI NIE for over a decade. She has conducted a number of classroom workshops in more than 100 schools around the capital.

The workshop started with an ice-breaking activity for teachers where teachers were asked to introduce themselves in a different way.

During the workshop various causes of misbehavior were discussed like:

- Family background
- Lack of understanding
- Lack of interest
- Family power
- Low on self-confidence

Also few behavioral issues in class were discussed:

- Restless
- Talkativeness
- Hyperactive
- day dreamer

The last segment of the workshop covered the solutions to these problems like:

- Giving them responsibility
- Showing videos of responsible people.
- Ripple effect
- Ignore wisely
- 3 steps plan(target- Stop- Do)
- Use body language to make students understand teacher's mood.
- Never be in argument
- Setting classroom rules and keep them simple and use polite words

Overall the workshop was informative.
