

World Heritage Day at UNESCO house

UNESCO and archaeological survey of India (ASI) organized a programme on world heritage day at UNESCO house, Chanakya Puri, New Delhi. Representatives from UNESCO and ASI gave a brief information about:

- 1 Cultural heritage awareness campaign
- 2 Diversity of cultural heritage.
- 3 Efforts required to protect and conserve cultural heritage.

Information about how a cultural and rural heritage is in young hands and the role of local community was also discussed.

Dr. Arun Raj – Superintendent of ASI also told that how a school can adopt a heritage site and how school children can sensitise visitors about its protection and conservation.

It was a very informative and fruitful session.
