

Capacity building program on upholding Ethics & Integrity Workshop **Conducted by Dr. Neera Kohli**

CBSE held capacity building workshop on 27/08/19 & 28/08/19 on **UPHOLDING ETHICS & INTEGRITY** At St. Angel's School, Rohini. The session was taken by CBSE resource-person Dr. NEERA KOHLI. In the session importance of ethics & integrity at workplace was discussed and its significance in teaching was also discussed. Some of the thought provoking questions like what characteristics do teachers need for success & is ethics one of them? Regarding integrity it was discussed that life isn't always about winning or losing & we should always help others to win. A to Z of ethics & its importance in any teacher's life was discussed and strategies was discussed how ethics & integrity and value system built or developed into our classroom and our children. Various aspects of integrity was discussed like disciplined, accountable, patience, acceptance, confident, polite etc. Also audio-visual were also shown and reflection on them was carried out on key issues of ethics and integrity. A teacher's network is basically a teacher's net-worth. Some of the key takeaways of workshop were:- 1 Teachers really need to shake up themselves. 2 We all need to come out of our comfort zones if we want to really achieve something. 3 Reinforcement is very important. 4 We all are work in progress as no one is perfect. 5 We criticize each other, instead we need to bring a change in ourselves. Think growth of others.
