

# **EBIX SMARTCLASS WORKSHOP**

**Conducted by Mr. Lashay**

A workshop was organized at JM INTERNATIONAL SCHOOL, DWARKA & it was conducted by EBIX smart class Educational Services for teachers of Grade Ankur to XII. He explained all the upgradation and updation in modules and new smart class interface which proves to be very useful especially for board classes X & XII. Queries of teachers were also solved regarding any usage of smart class. Company added a lot of new modules , worksheet, interactive maps, periodic table , dictionary and various type of Books which was appreciated by all teachers & also the addition of various subjects computer science, physical education etc. was highly praised by all subject teachers.
