Workshop on Python (Computer Science)

Delhi Public School, R.K.Puram organized a Workshop for Teachers of Computer Science and Informatics Practices in Senior Secondary Schools (11th & 12th) on 27 June, 2018 at Delhi Public School, R.K.Puram, New Delhi. As CBSE has revised the complete syllabus of Computer Science and Informatics Practices.

The new syllabus is introduced with python. Keeping in view, the increasing significance of the discipline as a career choice and hence as a subject, the workshop was organised as an attempt to strengthen the teaching of Computer Science in Schools. The resource person Mr Mukesh Kumar from DPS Explained the features of Python and the steps to install it then second Resource person Ms Gurpreet from GD Goenka explained about Python Panda, its features and installation and at last Mr Mohit Dey from Delhi Public School, R.K.Puram gave the detailed explanation of Mongodb and its installation. It was very well organized, informative and great learning session.
