

# Accountancy Workshop

*“An investment in knowledge pays the best interest”*

A workshop was organized for the accountancy teachers of Classes XI and XII on Saturday, 28 April, 2018 at Islamic Cultural Centre, Lodi Road, New Delhi. The workshop was conducted by the famed authors and resource persons, CA (Dr.) G.S Grewal and Mr. R.K Khosla. The workshop was organized to make aware the teachers about the changes in the syllabus for 2018-19. Every minute change was discussed in detail and well explained by our eminent authors with the help of power point presentations. Mr. Grewal also talked about treatment of proposed dividend and Loans & advances under Cash flow statement and GST. The second part of the session was continued by Mr. Khosla, who discussed about the preparation of subscription account under the chapter Not-for-profit organizations. He also shared some valuable steps to teach students the same chapter as this chapter was earlier in class XI and now had been shifted to Class XII Syllabus. The workshop came to an end with Question- Answer session followed by vote of thanks and lunch. It was indeed an enlightening session for all the teachers as it improved their teaching skills and subject knowledge.
