

SHAPING YOUNG MIND, HEART & HAND WORKSHOP **CONDUCTED BY VIVA EDUCATION**

They begin the session with the launching of smart learners series of VIVA EDUCATION for the kindergarten section. They have explained about the versatile & unique features about the bookset for the pre primary toddlers.

The Workshop aims to focus on the following areas followed by an interactive session and lot of interesting activities.

- Understanding the unique need of young minds.
- Multiple intelligences – nurturing unique strengths
- Experiential learning- integrating mind, heart & hand while teaching
- How to cater special need students.

Ms. Avneet Kaur has conducted very inetractive, informative and very useful workshop, at the end of the session she had conducted multiple intelligence assessment for teachers through questionnaire, make them understand more clearly that every child is unique and intelligent.

Following activities she had conducted during workshop:

Activity 1. Clay moulding

Activity 2. Hand Writing through left hand with the limited time, to understand the difficulty of the slow learner.

Activity 3. Mirror Reading

Activity 4. Checklist of multiple intelligences.

Case study discussed for more understanding and problem solving.
