

VISIT TO SKILL INDIA EXHIBITION

New Delhi, 05th October, 2018: The students of Classes XI and XII visited the Skill India Exhibition 'India Skills 2018' presented by National Skill India Development Corporation. The aim behind this exhibition -cum -competition was to better equip students with various skills preferred in the better development of the country , as envisaged by the hon'ble Prime Minister ,Shri Narendra Modi . Being one of the youngest countries in the world, India has the potential to become the skill Capital of the world .The highlight of the day was the Career counselling ' Skill Sathi'. There was also psychometric test for students. It was a very educative event for teachers and students alike. There were various stalls depicting the skills of various including Automobile Industry , cooking etc. The students and teachers were enlightened on various skills and the whole visit was worthwhile.
