

Visit to Church and Temple

Students of Grade I visited Church and temple on 29th November. Many facts about church were told to the students. The temple was a master piece of fine art. The building is very spacious and impressive. There are many beautiful idols of gods and goddesses. Priests were sitting in front of the idols. They were clad in saffron clothes with sandal marks on their foreheads. Incense was burning and it was giving out sweet smell. The idols were decorated with ornaments and fresh flowers. Devotees were singing 'bhajans' and were giving their offerings to the priests. The priests were chanting mantras and giving blessings to the devotees. The atmosphere was very calm and peaceful. We offered some flowers and fruits to the idols of Rama and Sita. The Priest blessed every child and gave 'Charnamrit' and 'Prasad'. Students did prayer in front of the idol, meditated a little and returned to the school with a peace of mind.
