

VISIT TO DDA PARK

A fabulous day out at DDA Park sector 11 Dwarka was arranged for our Ankur to grade I kids. An outdoor trip was planned to expand their physical abilities, practise socialising with

their peers and, most importantly, to have loads and loads of fun. They played many games and enjoyed fun rides on swing. This excursion seemed achieve it 's object of teaching the children to explore and indulge as a group. This hugely helps social development . Besides they build a respect for nature. All the students expressed a desire to revisit the place again. Indeed it was a great day for all the students and teachers, as it strengthened the bond between the students and their teachers.
