

## VISIT TO LOHAGARH FARMS

Adventurous trip was organized on Thursday, April 04 2019, for our students of Grades XI, to experience the simplicity of life at Lohagarh Farms, Gurugram, It was a day full of fun activities wherein our children were free to explore different activities around them. However, Students were delighted to explore this old rustic life and acquired more information on them. Some of the key attractions for the students were Pottery, Camel Ride, Bullock Ride, Tractor Ride, and Team-Building Activities, Archery, shooting, Tug of War, Mehendi, Mud-Bath and much more.

All activities were carried under expert supervision by trained instructors. It was a wonderful way to start the session and was a good stress reliever after the board exams.

The trip was a memorable one, which encouraged the students to keep alive the memories of our old legacy.
