

## **VISIT TO AKSHARDHAM - LIGHT & SOUND SHOW**

The students of grade VIII of our school went for an excursion to swami Narayan temple at akshardham. Students enjoyed a 3-D mapping light and sound, water show which was a ethical lesson for the students, a self-realizing show emphasizing on the omnipresence of a universal power called God. Fresh and delicious dinner was served to students and teachers. It was a memorable evening with some food for soul.
