

# **Study excursion** **to National Gallery of Modern Art**

Students of class VII went for Study Excursion to National Gallery of Modern Art. Students viewed the evolution in the styles of painting over the years. Paintings of Rabindranath Tagore, Amrita Shergill and Abindranath Tagore were main attractions amongst the exhibits. Students tried reading the paintings well which was another learning experience. The special attraction of the day was ROOPANTARAM, a sculpture exhibition. Students tried sketching the sculptures displayed and got some suggestions from the resource person to improve their techniques.
