

## MEAL PLANNING CLUB

The meal planning club gives the children an on hand experience of cooking various delicious recipes with and without fire. Children love to prepare the given recipes every week and take lots of pride in sharing and preparing it with their friends, teachers and principal. This club works towards boosting their confidence and making them more responsible while working in kitchen and handling things like knife and gas stove. Also they are becoming capable of cooking up a little surprise for their mothers every now and then.
