

VISIT TO PARLE G FACTORY

Students of primary classes visited the Parle G biscuit factory. It was an interesting experience for the children to see the biscuits being made in the factory which they get to see packed and ready in the shops. They were taken around the factory where they interacted with the workers involved at every stage and understood the steps involved. They witnessed the Quality checks in place at each stage which had helped Parle to become a leading member in the biscuit industry and a household name. At the plant they saw how biscuits once ready were packaged and transported into trucks ready to reach the market and from their own houses.

The children returned satiated ready to visit the nearest shops to procure biscuits. Children were given packets of biscuits and toffees as a small token of love. Overall the visit was enjoyed by all.
